LEGAL PRACTITIONER REFERRAL LIST

Please read the following carefully before consulting a solicitor on this referral list.

WARNING: If you engage a solicitor on this list, it is your responsibility to ask them about their fees, including their first-interview fees, BEFORE making an appointment.

Do I have to use a solicitor on this list?
The solicitors contained in this referral list serve the community here at My Community Legal as volunteers. You are not obliged to see any of the solicitors provided below, although we trust that this referral list may be of assistance.

If you do not wish to consult any of the solicitors from the list, then you may want to use the Queensland Law Society's register of all solicitors practising in your area: https://www.qls.com.au/Find-a-Solicitor/Search.

Will the solicitor take on my matter?
Please be aware it is at the solicitor's discretion as to whether they will take on your matter or will be available to see you, also having regard for your particular matter.

Do I have to pay?
Yes. The solicitors on this list DO NOT work for free. It is your responsibility to ask then about their fees before proceeding, including their first-interview fees, before making an appointment. Some solicitors may provide free or discounted initial consultation, work on behalf of Legal Aid Queensland, or provide assistance on a "speculative" basis. Please ask them for more details upon enquiry.

The lawyer who advised you at My Community Legal Inc CANNOT see you in private practice.
